

QSL VERIFICATION

Pirate Radio station *Orion Radio*
Transmitting from *Elburg, the Netherlands*

Dear *Achim*

Thank you for your reception report of my transmission on *October 16th 2005*

at *1107* to _____ UTC, freq. *6400* khz, *48* meter

Which I have carefully noted.

The transmitter RF power output was *350* Watt, with an *Inverted V* antenna top at 9 meters.

I am glad to verify your report and wish you many happy hours of DX'ing. I appreciate your cooperation and hope to hear from you again.

Best regards,
John
