FREE ITALIAN RADIO DAY 1 MARCH 2015

Dear SWL friends,

The Italian Group Free Wave organize for you, a radiophonic contest that will be on air on short waves QRG in Amplitude Modulation. The Game it is very simple.

"TAKE THE MESSAGE"

Each free station will be on air on different moments and each one will be on air on his own QRG, transmitting a single part of a complete message in Italian and English, that is ever the same.

Your challenge is recreating the complete message!

All parts of the message start with a particular advising sound for all free stations.

The single part of the message will be transmitted following this schedule:

6.875 Radio Europe from 08.30 to 09.00 UTC

6.940 Radio Enterprise from 09.00 to 09.30 UTC

7.300 Radio U-Boat 66 from 10.00 to 10.30 UTC

7.300 Mistero Ghost Planet from 10.30 to 11.00 UTC

The complete message will be transmitted instead only via:

3.905 Radio Arcadia from 21.00 to 22.00 UTC

To participate to the game as SWL, you only have to recreating the complete message, but you also have to write the single part you have heard from each Italian Free Station .

All SWL can participate to the game with their own radio and antennas, and also using web SDR receiver. Please send your report to: radioalleanza@gmail.com

International Contest Rank and Special Paper Certificate

From the first (1°) to the fifth (5°) report mail received without mistakes, will get a paper QSL direct to your postal address (if communicated).

To compose the final rank we consider the time in which we get your mail.

The ranks of Italian SWL and International SWL will be separated, and we will send a total of n. 10 paper Certificate. The final results will be published within 10 day from 1° march 2015.

We hope in good conditions and we invite you to participate to the Game!
